The Principals
All Kendriya Vidyalayas
Bhubaneswar Region

Sub: Tests and Examination Duration and Maximum Marks.

Madam/Sir

This refers to the tests and examination schedule circulated by this office. For uniformity throughout the region, the duration and the maximum marks in different classes are suggested below.

Class	Periodic Tests		Mid-Term Tests/HY Exam./SE Exam	
	Duration	Maximum Marks	Duration	Maximum Marks
III to V	1.5 hrs	40	2.5 hrs.	80
VI to VIII	1.5 hrs	40	2.5 hrs.	80
IX to X	1.5 hrs	40	3.00 hrs	80
XI	1.5 hrs	40	3.00 hrs.	70/80/90

Note:

- The Mid-term tests for Classes IX and X will be considered as the second periodic test.
- In the periodic tests, the questions need not be modeled on the board question papers. As they are meant for testing effectiveness of learning, suitable questions to be framed to test larger number of concepts, skills and other learning objectives within the time allotted. In non-language subjects, very short and short answer type questions in larger number may be used for better coverage.

Yours faithfully
